

2007 SWCS Annual Conference

Symposia, Presentations, Technical Workshops, & Educational Tours

July 21-25, 2007 - Tampa, Florida

The 2007 SWCS Annual Conference Program Committee and the Florida Chapter SWCS are proud to bring you "Conservation Challenges in a Changing Landscape."

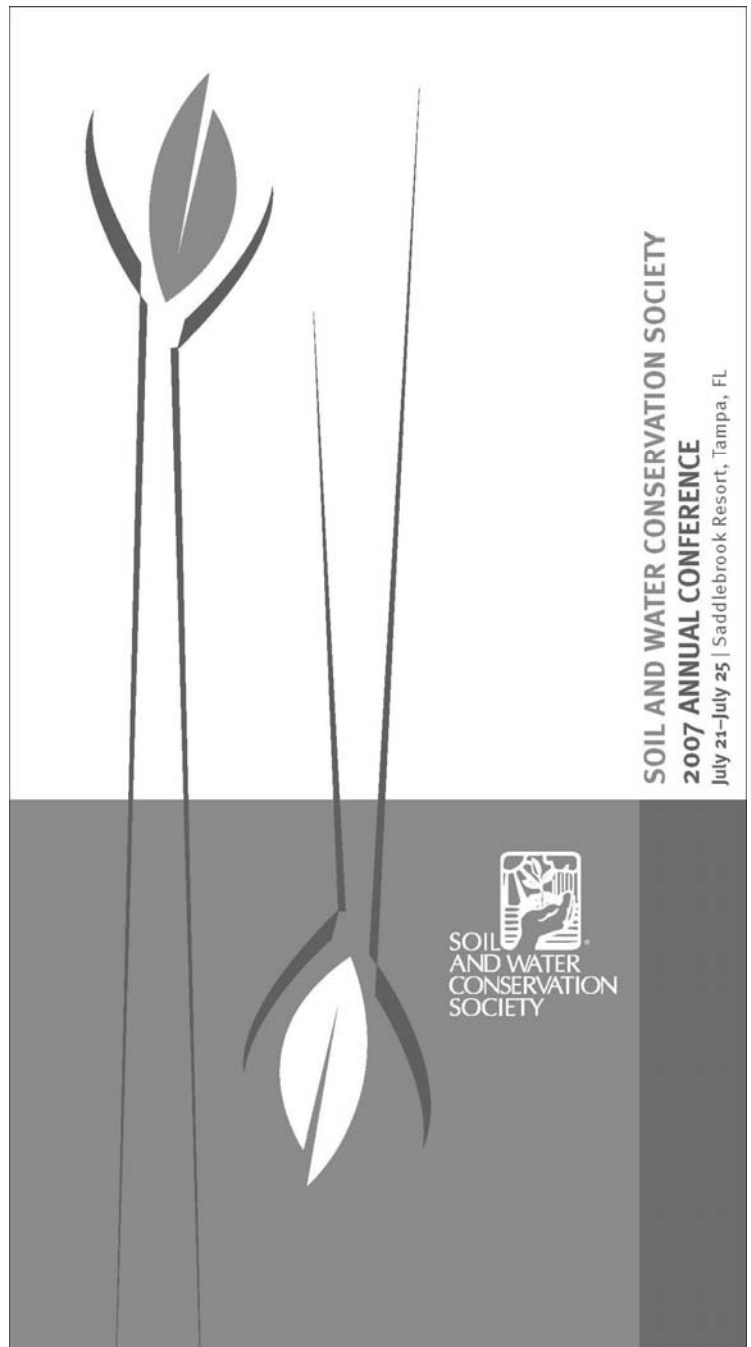

This year's conference includes the annual Fellows Forum, two plenary sessions, 141 oral presentations, 16 symposia, nine workshops seven tours, and countless opportunities to meet and **stay connected** with conservation professionals from throughout the U.S. and in the international research community.

Saddlebrook Resort is located 30-minutes north of Tampa International Airport on 480 acres of countryside in west central Florida. We have negotiated a discounted guest room rate at the Saddlebrook Resort starting at \$105 per night for single occupancy (plus resort fee and appropriate Florida state and local taxes). Reservations must be made by June 14, 2007 to receive the group rate. Be sure to mention that you are attending the SWCS conference. Make your room reservations by calling (800) 729-8383.

Transportation to/from Tampa International Airport

Driving directions available online at www.saddlebrook.com

Shuttle Transportation to and from the airport is available and can be arranged when you make lodging reservations at Saddlebrook. The cost is \$36 each way (gratuity included).
