Member Engagement & SWCS Staff Support

Looking for ways to engage your members in your chapter's efforts? View the most recent Chapter Leadership Training at www.swcs.org/chaptertools. A list of membership engagement examples is available within the slides.

There will be a follow-up Virtual Chapter Leadership Workshop on January 11, 2023 for leaders to complete these calendars with staff assistance. Register at the website above or by clicking the banner below.

Chapter Action Planning Checklist

Use this checklist to focus your efforts and ensure you're making the most of your events!

- Does it offer something new or different?
- Is it thought-provoking?
- Does it meet a need and provide value to our members?
- Does it engage the next generation of conservation professionals?
- Is there a fun component to it?
