Below you will find information regarding your symposia.

**PRESENTER DETAILS**

- All symposia presenters must be available on the scheduled day between July 31 and August 3, 2022, to present live in person.

- Symposia are 90-minute sessions that provide comprehensive, in-depth coverage of a specific topic and that also allow for audience interaction.

- The symposia moderator is the responsibility of the symposia organizer. SWCS will provide a tech volunteer in your session.

- The meeting rooms are equipped with Internet, audio, lectern, wireless microphone, AV cart, laptop, screen, projector, extension cord, and a slide advance remote. Please note that all presenters are required to utilize the laptop provided in the meeting room.

- Each presenter should bring an appropriate-length PowerPoint on a USB drive to the conference. Remember to consider limiting text on slides and including meaningful graphics and representative images. Handouts are welcome but are your responsibility. We advise you to report to your presentation room no less than 15 minutes prior to the first session start time.

- Your abstract will be published in the SWCS Abstract Book, and your PowerPoint presentations will be shared in the virtual resources platform following the event. If you do not wish to have your presentation posted, please email events@swcs.org.

**IMPORTANT DEADLINES**

- Symposia organizers: Please submit the following items in one Word document to events@swcs.org no later than June 10, 2022 (view the template options provided on the next page):
  - Title of individual presentations
  - Abstracts (maximum of 2,000 characters including spaces) for individual presentations (optional)

- In order for your symposia to remain on the conference program, you will need to complete your conference registration no later than June 10, 2022. Once released, registration information can be found at www.swcs.org/22AC. Please remember, all presenters must be registered.

- Symposia organizers: If you need to withdraw your symposia, you must email events@swcs.org no later than June 10, 2022. Withdrawing after this deadline causes issues with our program, so we ask for your cooperation and consideration. We will accept fill-in presenters if you are unable to attend.

- Optional: Symposia organizers will have the opportunity to submit a video recording of their session to be included on the virtual resources platform following the event. This is separate from the requirement of presenting live and in person. Videos are the responsibility of the symposia organizers and must be housed externally. If interested in participating in this virtual aspect, submit the website URL of the video link (ex: YouTube link) to events@swcs.org no later than July 22, 2022, to be included within the virtual resources platform.

Additional information will be sent to the primary author of the symposia and will be available at www.swcs.org/22AC as released.
