

Veterans Park Stream Cleanup

When: Saturday, May 31, 2025

Time: 10:00 AM – 12:00 PM

Where: Veterans Park Playground Parking Lot
830 Charwood Dr, Lexington, KY 40515

Hello everyone,

My name is Noah Lane, and I am currently participating in the SWCS Emerging Leaders Program.

In an effort to give back to the community and raise awareness about the importance of conserving our natural resources, I am hosting a stream cleanup in collaboration with Hickman Creek Conservancy and Lexington Division of Parks.

The cleanup will be along a stretch of West Hickman Creek that is getting ready to see some major improvements including a low head dam removal, bank stabilization, and increased public access. This cleanup aims to remove as much trash from the project site and surrounding areas as possible to prevent it from becoming a permanent addition to the project.

We also plan on having guest speakers from the project design team and Lexington-Fayette Urban County Government to talk more about the project and the construction process.

Trash bags, buckets and gloves will be provided.

I hope to see you all out there!

If you have any questions or concerns, please feel free to contact me at noah.lane@uky.edu.
