# International Drainage Symposium Call for Abstracts

**SUBMISSION DEADLINE: March 15, 2022**

We invite your participation and presentations for the 11th International Drainage Symposium, August 30-September 2, 2022, at Marriott Des Moines Downtown in Des Moines, Iowa. Presenting at the International Drainage Symposium is an opportunity to share your work with drainage researchers, professionals, and practitioners from around the world. Presentations are sought in the topic areas shown below, to include basic and applied research, as well as presentations that focus on outreach, demonstration, and practice. The Symposium will include both oral presentations and poster sessions. Authors are urged to prepare a well written, clear and informative abstract describing the work.

Selection criteria for presentation abstracts will include relevance to conference topics, quality of the abstract, originality, compliance with submission deadlines and procedures, and number of abstracts submitted, as necessary to meet program needs. A review committee will determine acceptability of abstracts and authors will be notified of acceptance by mid-April. An electronic proceedings will be developed from the Symposium.

## TOPIC AREAS FOR SUBMISSION

- Climate Resilience and Drainage
- Drainage Data Acquisition and Management
- Drainage Policy and Administration
- Drainage System Design, Installation, and/or Performance

## Call for Abstracts

### OPTIONS FOR PARTICIPATION

In anticipation of a live event, all presenters must be able to present live in person. IDS understands current travel restrictions in place for many organizations.

All oral and poster presentation submissions must be received through the online CMT submission system found at [www.swcs.org/22IDS](http://www.swcs.org/22IDS).

All submissions must be submitted by **11:59 PM CT on March 15, 2022**.

#### Oral Presentations

- All oral presenters must be available on scheduled day to present live in person.
- Each presenter will be given 20 minutes: 15 minutes to make their presentation and 5 minutes for questions.
- All oral presenters must register for the event.

#### Poster Presentations

- All poster presenters must be available live in person during the designated break and reception times indicated below to answer questions and share their work with attendees.
- All poster presenters must register for the event.

### IMPORTANT NOTES

- IDS does not reimburse presenters for expenses incurred. This includes authors and panelists invited to present.
- Authors and presenters are strongly encouraged to prepare an extended abstract for the symposium proceedings. Authors will receive instructions about format and a template for submission following abstract acceptance. Symposium attendees will receive an electronic copy of the proceedings, and the proceedings will be posted to the ASABE Technical Library.
- IDS is organizing a special collection to be published in ASABE journals. Full papers submitted for the special collection will go through the standard peer-review process. More information about paper submission will be forthcoming.
- A visa and passport may be required for delegates travelling to the United States. Each delegate is responsible for verifying these requirements.
