PRESENTATION SUBMISSION INSTRUCTIONS

The instructions below will help guide authors in creating a new submission.

View the call for presentations at www.swcs.org/26AC for full details.

ORAL PRESENTATION, POSTER PRESENTATION, OR SYMPOSIUM SUBMISSION

- If you have submitted a proposal with the Soil and Water Conservation Society in the past three years, login using your email and password.
    - Select "Forgot your password?" to reset, if needed
- If you have never submitted a proposal with the Soil and Water Conservation Society, or it has been over three years, follow the below prompts to create an account.
    - Go to this link
    - Select "Register" and fill out the requested information to register
- Once you are logged in, follow the prompts below to create your submission.
    - Select "Create New Submission"
    - Select appropriate track from the drop-down menu
    - Enter the title and abstract
    - Select "Add" under the authors section to add additional authors, if any
    - Enter application subject areas, if required
    - Enter submission type
    - List all presenter names, organizations, and emails who will be participating in your live, in-person presentation
    - Answer additional questions
    - Once the information is complete, select "Submit"

WORKSHOP SUBMISSION

- Complete the workshop submission form.
