SWCS Scholarships

The **Donald A. Williams Soil Conservation Scholarship** provides financial assistance to members of SWCS who are currently employed, but who wish to improve their technical or administrative competence in a conservation-related field through course work at an accredited college or through a program of special study. At least one scholarship up to \$1,000 is anticipated to be awarded in 2019.

The **Kenneth E. Grant Research Scholarship** provides financial aid to members of SWCS for interdisciplinary graduate-level research on a conservation topic that will extend the SWCS mission of fostering the science and the art of soil, water, and related natural resource management research. One research scholarship between \$300-\$500 is anticipated to be awarded in 2019.

The **Melville H. Cohee Student Leader Conservation Scholarship** provides financial assistance to members of SWCS who are in their junior or senior year of full-time undergraduate study or are pursuing graduate level studies with a natural resources conservation orientation at a properly accredited college or university. At least one scholarship up to \$500 is anticipated to be awarded in 2019.

Please note that you must be a member of the Soil and Water Conservation Society for at least one year to apply for these scholarships.
