SWCS Scholarships

The **Donald A. Williams Soil Conservation Scholarship** provides financial assistance to members of SWCS who are currently employed, but who wish to improve their technical or administrative competence in a conservation-related field through course work at an accredited college or through a program of special study. One scholarship of \$1,000 is anticipated to be awarded.

The **Kenneth E. Grant Research Scholarship** provides financial aid to members of SWCS for interdisciplinary graduate-level research on a conservation topic that will extend the SWCS mission of fostering the science and the art of soil, water, and related natural resource management research. One research scholarship of \$500 is anticipated to be awarded.

The **Melville H. Cohee Student Leader Conservation Scholarship** provides financial assistance to members of SWCS who are in their junior or senior year of full-time undergraduate study or are pursuing graduate level studies with a natural resources conservation orientation at a properly accredited college or university. One scholarship of \$2000 is anticipated to be awarded.

Please note that all applicants must be a member of the Soil and Water Conservation Society at the time of submitting the application. To join SWCS, please go to www.swcs.org/join.
