

74TH SWCS INTERNATIONAL ANNUAL CONFERENCE SUBMISSION INSTRUCTIONS

The instructions below will help guide authors in creating a new submission.

- If you have submitted a proposal with the Soil and Water Conservation Society in the past three years, login using your email and password.
- If you have never submitted a proposal, or it has been over three years, follow the below prompts to create an account.
 - Go to <https://cmt3.research.microsoft.com/SWCS2019>
 - Select "Create Account" and fill out the requested information to register
- Once you are logged in, follow the below prompts to create your submission.
 - Select "Create New Submission"
 - Select appropriate track from the drop-down
 - Enter the title and abstract
 - Select "Add" under the Authors section to add additional authors, if any
 - Enter application Subject Areas, if required
 - Answer Additional Questions
 - Once the information is complete, select "Submit"
