

# Member and Meeting Attendee Swag and Incentive Ideas

A gift from Headquarters

Headquarters will provide a limited number of notebooks to chapters. Send a write-up about your intent for the giveaway, number of notebooks requested, and address for shipping to [memberservices@swcs.org](mailto:memberservices@swcs.org). Notebooks are first come, first serve, so don't delay!

*Pair the soil themed notebooks with gummy worms or the water themed pics with reusable straws for a fun, inexpensive giveaway.*

Locally purchased, SWCS-branded giveaways

Chapters around the nation use funds in their account or request sponsorships to provide SWCS branded gifts. Chapters also offer short-term purchases of items. Make a request to [pubs@swcs.org](mailto:pubs@swcs.org) for access to a high resolution SWCS logo to brand your swag.

*One chapter purchased water bottles to distribute throughout the year. Another provided an opportunity for members to purchase their own conservation shirt designed locally by the chapter.*

Offer giveaways through a trivia game or by raffle. This allows the chapter to better plan the number of items needed, between a gift from Headquarters and locally purchased, SWCS-branded giveaways.
